Who is Quail Valley Elementary School?

Who is Quail Valley Elementary School?

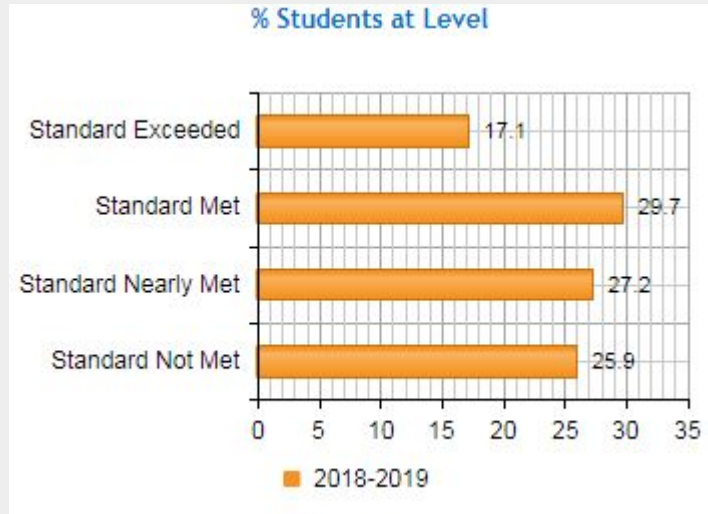

Why are we here? Our Vision

- all students will achieve academic excellence and be well-rounded students.
- all students will have equal access to the curriculum: English Language Learners, Standard English Learners, Special Education students, Gifted and Talented students.
- all parents will become an essential component in the education of their children.
- every member of our faculty will be an invaluable source in educating students.
- every child will learn!
