Illuminate Report Card Roll Out

MUSD Elementary School

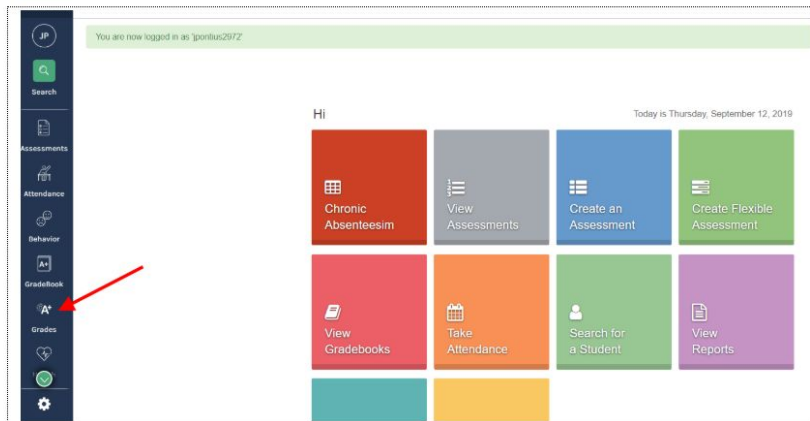

September 16, 2019

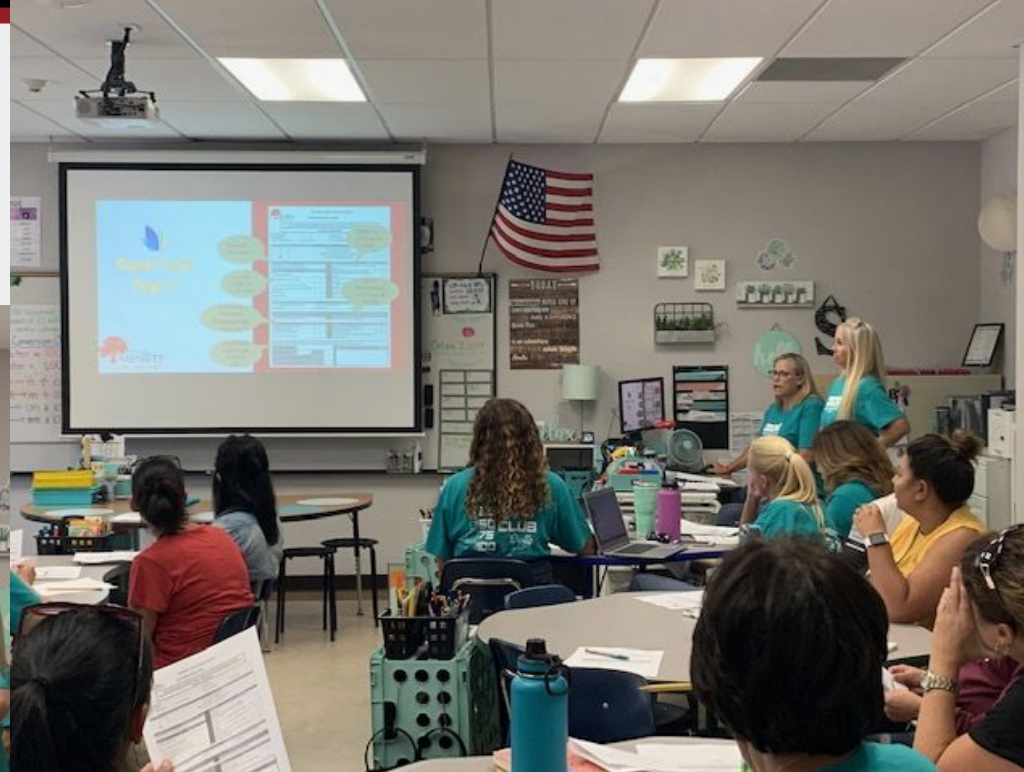

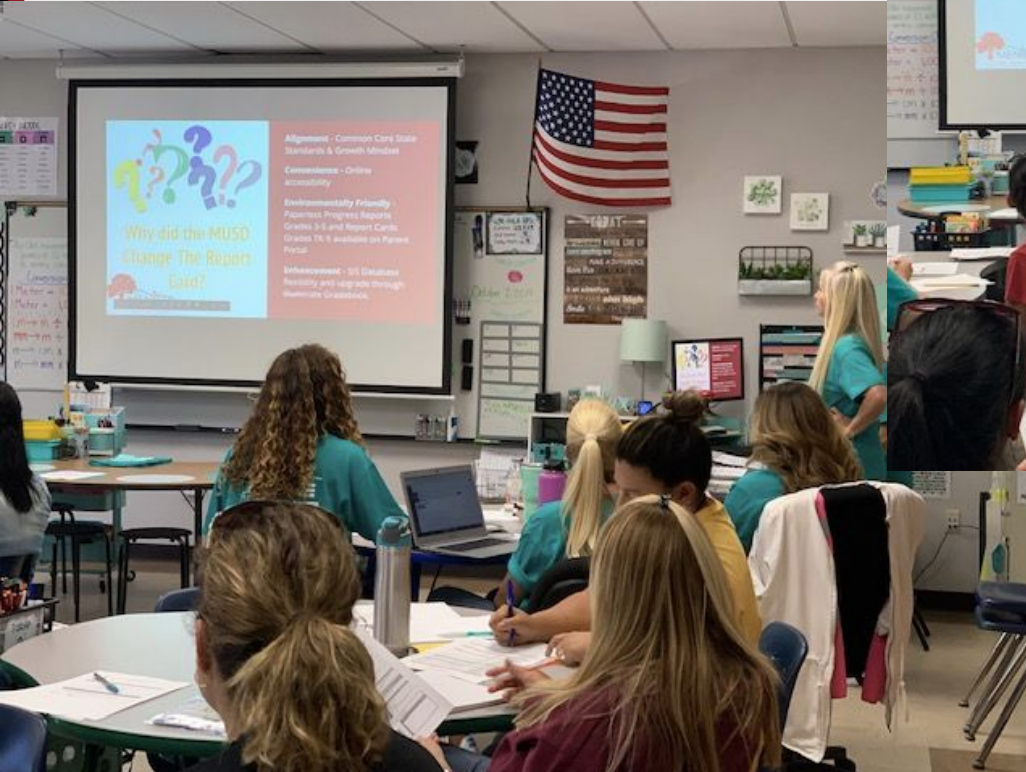

How To: Enter Grades Illuminate Elementary Report Card

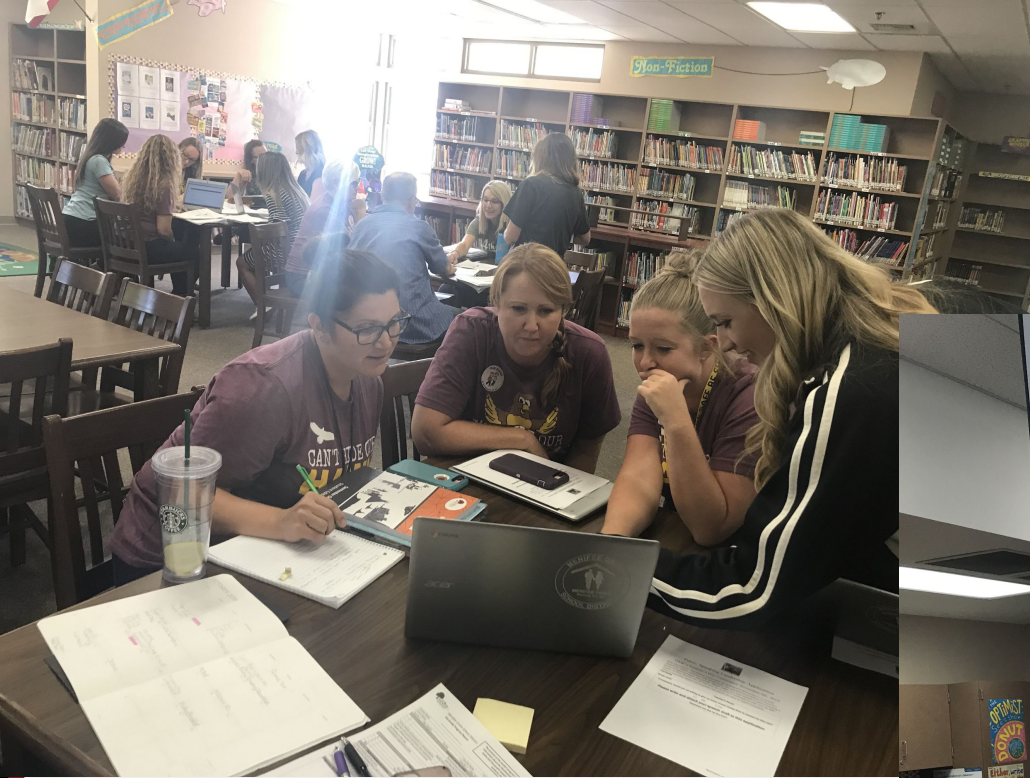

Elementary report cards are now completed in Illuminate, our student information system. This will allow teachers to connect their gradebooks directly to the report cards, while still allowing them to have full control of all grade marks. Report cards will be distributed to families via the Illuminate HomeConnect Parent Portal. A video showing this process can be found [here](#).
